Course Description

Students will necessary skills to help them be able to successfully live independently. They will build new skills based on what they already know. They will also make connections between the skills they are taught and the real world.

Standards

Learning Outcomes by Quarter

Quarter 1

Getting to Know Yourself

Quarter 2

Setting Goals

Quarter 3

Handling Change and Stress

Quarter 4

Being a Good Citizen
Obeying Laws

Required Supplies

Grading

Students will be graded on a 4 point scale for all assignments

Point	Letter Grade	Explanation
3.0-4.0	A	In addition to the performance score of 3.0, the student demonstrates in depth inferences and applications that extend beyond what was taught.
2.5-2.99	B	There are no major errors or omissions regarding any of the information and/or processes (simple or complex) that were explicitly taught. This level is mastery
2.0-2.49	C	There are no major errors or omissions regarding the simpler details and processes, but there are major errors or omissions regarding the more complex ideas and processes.
1.0-1.99	D	With help, the student demonstrates a partial understanding of some of the simpler details and processes and some of the more complex ideas and processes.
Below 1.0 or No Evidence	F	Even with help, the student cannot demonstrate understanding of the simple details.

School Policies

REQUESTS FOR HOMEWORK

Students requiring homework assignments due to extended excused absences (three days or more) should initially contact the attendance office. The attendance office will notify teachers and collect assignments from individual teachers. Assignments should be ready for pick up 24 hours after a request has been made. Please call the attendance office to check homework status.

MAKE-UP WORK DURING ABSENCES

Any time a student misses a class for any reason whatsoever, that student will be expected to contact each teacher and complete the make-up work in order to achieve the learning objective. This includes field trips, school activities, suspensions, group sessions, trancies, and the like. Make-up work is required and students who have been absent from class must request make-up work from the teacher no later than the next class meeting. Teachers will determine a reasonable amount of time for make-up work when students are absent, using a two days for every one day absent guideline.

Teachers may provide an "alternative" learning experience for make-up work to any student who requests it upon returning to class. For example, a student may have been absent from a class at which the daily learning objective was achieved by means of a class discussion. At the teacher's sole discretion, students who were absent during that discussion might be assigned a two or three-page written essay due three or four days after the student's return to class as an 'alternative' learning experience for that objective.

Teachers will give academic credit to all make-up work that complies with the above guidelines. The only exception is that teachers have the choice whether or not to give academic credit to the make-up work from an unexcused absence. If the absence was unexcused, the teacher should provide feedback but is not required to give credit for the work.

TARDY POLICY

After three tardies teachers will conference with the student and contact home. After 5 tardies students can be referred to the Learning Center and additional consequences may be assigned.

PASSES

Students who leave the classroom or are excused from class must have a pass with correct validation by the teacher. School officials may send for a student using an authorized Administrative Pass. Students who are without official passes will be subject to disciplinary action. Passes will not be given in the first 10 minutes or

last 10 minutes of class.

NON-ACADEMIC TECHNOLOGICAL DEVICES

Aurora Public Schools believes in providing environments that optimize learning and teaching and are safe, secure, and well maintained. As such, all personal electronic devices* shall not be seen nor heard during the school day in academic areas of the building from 7:30 A.M. to 3:45 P.M. *Cell phones, iPods, headphones, portable speakers, MP3s, tablets, cameras, etc. **Aurora Central High School is not responsible for lost, stolen or damaged electronic devices.** This includes electronic devices that are confiscated by staff. Aurora Central High School reserves the right to not investigate lost, stolen or damaged electronic devices.

Course Description
Students will be introduced to the solar system. They will learn basic concepts about how the Earth moves and its relationship to other planets and the sun.
Standards
Learning Outcomes by Quarter
<p>Quarter 1</p> <p>Understanding of galaxy, planet, solar system, star and star system. Students will understand that they are part of the universe by pointing out the Earth's place in the solar system.</p>
<p>Quarter 2</p> <p>Understanding of atmosphere, axis, gravity, NASA, rotate and tilt. Students will look at Earth as a planet and a member of the solar system. Students will learn about gravity and one of the Earth's movements: rotation.</p>
<p>Quarter 3</p> <p>Understanding of reflect, revolve and satellite. Students will learn about Earth's satellite: the moon. They will also learn that moons move around planets, just as planets move around a star.</p>
<p>Quarter 4</p> <p>Understanding of ellipse, orbit, seasons, Sol. Students will learn that our sun is at the center of the solar system. They will learn that life on earth depends on the Earth's position next to the sun. They will also look at various ways that the sun supports life on Earth.</p>
